

TABLE OF CONTENTS

	PAGE
EXECUTIVE SUMMARY	i
1.0 INTRODUCTION.....	1
1.1 General.....	1
1.2 Background Information.....	1
1.2.1 Marsh Lake	1
1.2.2 Upper Liard	2
1.3 Study Objectives.....	2
1.4 Authorization.....	3
1.5 Study Team	3
1.6 Site Visit And Initial Assessment.....	3
1.6.1 Marsh Lake	4
1.6.2 Upper Liard	4
1.7 Project Initiation Meeting.....	5
2.0 GEOTECHNICAL INVESTIGATIONS	5
2.1 Summary of Soil Testing.....	6
3.0 SURVEYS	6
4.0 HYDROLOGY	7
4.1 Marsh Lake Flood Levels.....	7
4.2 Upper Liard Flood Levels.....	7
5.0 WIND/WAVE ANALYSIS.....	8
5.1 Marsh Lake Area Winds.....	8
5.2 Wind Driven Wave Climate	9
5.3 Nearshore Wave Transformation.....	10
5.4 Wave Run-Up	11
5.5 Riprap	12
6.0 IMPACT ASSESSMENT OF FLOOD DAMAGES	14
6.1 Marsh Lake	14
6.2 Upper Liard	15
7.0 FLOOD MITIGATION OPTIONS	15
7.1 Marsh Lake	15
7.1.1 Flood and Erosion Measures at Army Beach.....	16

TABLE OF CONTENTS

	PAGE
7.1.2 Flood and Erosion Measures at South McClintock Road.....	17
7.1.3 Erosion Protection at Swan Haven Drive.....	17
7.1.4 Road and Driveway Upgrades.....	17
7.2 Upper Liard.....	18
7.2.1 Flood Profile Assessment.....	18
7.2.2 Right Bank Flood Mitigation.....	19
7.2.3 Left Bank Flood Mitigation.....	19
7.3 Cost Estimates.....	20
7.3.1 Marsh Lake.....	20
7.3.2 Upper Liard.....	21
8.0 REGULATORY APPROVAL STRATEGY.....	22
8.1 Marsh Lake.....	22
8.1.1 Raising of the South McClintock and Army Beach Roads.....	22
8.1.2 Residential Flood and Erosion Control.....	24
8.1.3 Flood and Erosion Control Measures at the Army Beach and the South McClintock Areas.....	25
8.1.4 Erosion Protection at Swan Haven.....	26
8.2 Upper Liard.....	26
8.2.1 Right Bank Flood Mitigation.....	27
8.2.2 Left Bank Flood Mitigation.....	27
8.3 Regulatory Strategy Conclusion.....	28
9.0 PUBLIC MEETING.....	28
10.0 DISCUSSION AND RECOMMENDATIONS.....	28
10.1 Marsh Lake.....	28
10.2 Upper Liard.....	29
REFERENCES.....	31

APPENDICES

- Appendix A Marsh Lake-Analysis of Road/Driveway Elevations and Required Adjustments
- Appendix B Cost Estimate for Flood Mitigation Work-Marsh Lake
- Appendix C Cost Estimate for Flood Mitigation Work-Upper Liard
- Appendix D Marsh Lake Wind Data Memo
- Appendix E Layfield NonWoven Specs and Aggregate Analysis Report
- Appendix F Estimation of Potential Flood Damages (KGS Group, Draft Report June 2008)
- Appendix G Terms and Conditions
