

NOTICE

COLLECTION LICENCE APPLICATION FEE INCREASE GOVERNMENT OF YUKON

Over the past 30 years, the Government of Yukon has maintained the same licence application fees for collection agents and collection agent employees. The Department of Community Services has announced an increase in licensing fees for this industry.

Fee increases will come into force on July 1, 2009. The new fee schedule will apply to all pending applications and renewal licences for the upcoming licensing period. All current licences held by agents and agent employees expire on June 30, 2009.

ONE YEAR FEE

Collection Agent	\$350.00	Collection Agent Employee	\$58.00
-------------------------	-----------------	----------------------------------	----------------

With the fee increase, the fees charged in Yukon, under the *Consumer Protection Act* will be in-line with those charged in other jurisdictions, and will be consistent with labour mobility provisions in the Agreement on Internal Trade.

Collection Agent and Collection Agent Employee application and renewal forms are available at:
